## Corporate Statements

## Our Products And Services

We have a wide range of fantastic stainless-steel products; kitchen sinks, wash hand basins, ceramic products, faucets and shower sets, bathtubs and accessories.

Our stainless-steel sinks and wash-hand basins come with a lifetime warranty, waste, fixing packs and our commitment to prompt and quality services.

Our ceramics offer superb finish and durability with a design that is equally at home with a contemporary or traditional kitchen and bathroom.

In addition to our sinks and wash hand basins, we have an outstanding selection of taps made from brushed steel and chrome to complement our sink designs. To complete your kitchen sink, you can select from our range of accessories like cutting boards and kitchen cabinets that afford you the opportunity of replacing your existing kitchen sinks with **REGINOX** products for lasting comfort and quality.

Also, we are in partnership with Foshan OVS Sanitary Ware Co., LTD. Foshan is a manufacturer specializing in the research, development, production and sales of kitchen and bathroom wares.

And Jaquar Group, India; caters to premium and luxury bathroom segments with Jaquar and Artize brands for residential and commercial sectors across the globe, a one-stop destination for all bathroom products.

Our products are manufactured using high-quality materials and modern technologies with firstclass quality control procedures.

We are in business to guarantee your comfort and access to quality products in your homes, hotels, hospitals, public buildings, office complexes, church buildings, restaurants, entertainment centers, schools and many more.
